**OTHER PERTINENT INFORMATION:**

1. Applicant owns the uplands adjoining the lease premises.
2. On May 23, 1985, the Commission issued a General Lease – Commercial Lease to Alvin Stults, dba: Cliff's Marina, for a 20 year period beginning January 1, 1985, terminating December 31, 2004. Subsequently, Cliff's River Marina, Inc. purchased the marina. Cliff's River Marina, Inc. is now applying to terminate the existing lease and requesting a new lease.

The lease will contain a provision, which would allow the Lessee to conduct dredging to provide for safe navigation. The exercise of this provision would require the prior authorization of lessor in writing and proof of Lessee's compliance with the rules and regulations, i.e., permits, of the applicable public agencies having jurisdiction over such activity, such as the U.S. Army Corps of Engineers, U.S. Fish and Wildlife Service, NOAA Fisheries, California Department of Fish and Game, State Reclamation Board, and the California Regional Water Quality Control Board.

3. A permit has been issued by the State Department of Industrial Relations for the gas pump, and is inspected twice yearly. A Permit has been issued by the Regional Water Quality Control Board, for the sewage pumpout facility. There have been no violations reported.
4. Pursuant to the Commission's delegation of authority and the State CEQA Guidelines (Title 14, California Code of Regulations, section 15061), the staff has determined that this activity is exempt from the requirements of the CEQA as a categorically exempt project. The project is exempt under Class 1, Existing Facilities; Title 2, California Code of Regulations, section 2905 (a)(2).

CALENDAR ITEM NO. **C15** (CONT'D)

Authority: Public Resources Code section 21084 and Title 14, California Code of Regulations, section 15300 and Title 2, California Code of Regulations, section 2905.

5. This activity involves lands identified as possessing significant environmental values pursuant to Public Resources Code sections 6370, et seq. Based upon the staff's consultation with the persons nominating such lands and through the CEQA review process, it is the staff's opinion that the project, as proposed, is consistent with its use classification.
